in an advanced stage, came under the Then Carl was removed to his home and notice of Inspector Ackerman, of this there he told the police that he had been Department, within twenty-four hours. indicates a rising tendency in the dis-

case among horses," says the Commissioner.

"The early co-operation of all horsemen will have the effect of restricting
the progress of the disease.

"Furthermore, doubtful or suspicious
cases may be reported, and the assistance of the Department in this way be
obtained as to diagnosis and sanitary
precautions, and 'mailein,' a new substance, prepared at the Bureau of Animal Industry, Washington, D. C., is at
command of the Inspector of the Department for the settlement of suspiclous cases, at an earlier stage of the
disease than can be otherwise reached.

"Mailein, first used in 182 for diagnostic
purposes, has already a good position
as a promising agency in equine economics.

"In illustration of the disastrons of

stable is infected and must undergo expensive process of purification; a second horse is also under susping and may possibly be condemned a later period. This unfortunate n's whole stock in trade is put in pardy by reason of this infectious case. Of course, high-cost stock may some infected with glanders as well the draught class; mankind may o contract the disease from horses."

MAY HAVE HIT THE OFFICER.

Whether He Started a Riot.

Michael Hammersly, a brawny 'long man, of South Brooklyn, was fined Police Court, Brooklyn, this morning, for

Assaulting Officer Michael Quinne, of the Pichards street station, during a fight at the corner of Imlay and Verona Verteels last night.

Quinne says that there was a general street fight and he started to break it up. The claims that he was knocked down and the claims that he was knocked down and the claims that he was knocked him. He was attacked him, the street fight and the crowd ran away.

The trought Hammersiy to the ground with a blow, and the crowd ran away.

PATCHOUUE, L. I., Aug. 2L.—Young John Tiernan Went After Big Game

STAR THEATRE OPENS.

The Star Theatre, in Brooklyn, began the second season of its career under the second season of its career under the management of Walter Sanford last evening with a production of Elmer Grandin's play, "Slaves of Gold." The author filled the leading character to the satisfaction of the big audience, and good work was also done by Mrs. Gran-din, as Grace Hope, the heroine; John T. Burke, as Leonard Monckton, the villain, and Franklin Hurleigh, as Percy Fitsroy. "The Life Guard" is underlined for next week.

Do Not Know What the Thieves Got The police of the Atlantic avenue station, Brook iya, at an early hour this morning discovered that thieres had broken into the residence of Joseph C. Smith, 1519 Pacific street, by forcing open the basement window. They rannacked the house, and it is believed that they exceped with some property, but the police have been unable to ascertain the value of the goods, as the family are absent from the city.

Mrs. Ross's Watch Stolen. Mrs. Malcolm Ross, of 357 Pacific street. Brocklyn, to-day meurns the loss of a gold watch sorth \$100, which was stolen by two men who balled at her home last night in search of a boarding-home.

Brooklyn Brevities.

William Barry, twenty-two rears old, of Third street, near Fifth avenue, Brooklyn, fell from the seat of an ice wagon at the corner of Fulton street and Ashland place this mora-ing, and the wheels passed over its body. Several of his the wheels passed over its body. Several of his the were broken, and he was badly in-tured internally. He was removed to the Homoe-spathis Hospital.

spathic Mospital.

POTTED A SHARK.

People's Day is being celebrated at the Point of Woods to-day. It is the greatest day of the whole season. The Chautauqua Grounds are crowded; over a thousand persons are now there, and it is expected the number will reach 2,000 before the opening of the grand concert at 2 P. M.

Representatives from nearly every Christian Endeavor and Epworth League society on the island are now here. Rev. W. P. Ferguson, of Patchogue, has charge of the special musical programme. He will be assisted by Profs. Dulcken and Taft. It is a gala day.

John Tiernam Went After Big Game with Snipe-Shot.

Special to The Evening World.)

ROCKAWAY, Aug. 21.—The practice of gunning for sharks with powder and No. 9 bird shot has gone cut of vogue, but the Rockaway Shark Protective Association, of which John Tiernan is an honored member, have determined to exterminate the mean things if it takes them all Summer.

It goes against the grain for a true sportsman like John to shoot at anything that is not "on the wing." It's different with safety. In defiance of an honored member, have determined to exterminate the mean things if it takes them all Summer.

It goes against the grain for a true sportsman like John to shoot at anything that is not "on the wing." It's different with sharks. In deflance of honored hunting customs, they refuse to get "on the wing," and John had to "pot" his game.

Tiernan went out for weakfish yesterday in Rocksway Park Loch. He caught a shark on his line before he knew it and was dragged half way out of his boat by the vicious fish. Making his line secure, he sent word to a frind to fetch his Parker breech-loader. The Parker did the business. He loaded both barrels with snipe shot, and let the shark have it behind the "ear," he sagi Later in the day the shark was dangling from Tiernan's front stoop, it measured nine feet seven inches from stem to stern.

way last evening, in which Miss Nellie

Miss Schaffner lived with her mother the Hamilton statue, which stands on

the east drive, near Eighty-second street, the animal became frightened at a baby carriage and, taking the bit in its teeth, ran to the Seventy-ninth street branch drive, where the phaeton collided with a tree.

The ladies were thrown out and taken to Presbyterian Hospital. Miss Schaff-ner's thish was broken, and she received internal injuries from which she died two hours after the accident. She was twenty-nine years old, and assisted her mother in works of charity.

Mrs. Graham is a young English woman, and has been in this country with her husband only eighteen months. Her left leg was broken, and ahe received other injuries that may prove fatal.

ONE SHRAPNEL EXPLODED.

Escape from Death.

One of the shrapnel in a caisson be-

longing to Capt. Grimes, Battery A. Second Artillery, exploded with great force, throwing the three cannoneers on the seat of the limber into the air and shattering the cover of the rear chest of the calsson into splinters.

The artillerymen who were rolled into the dust but not injured were E. O. Walther, Charles Crumley and Charles Canford. After the explosion, fire started in the After the explosion, fire started in the limber and the dry prairie grass. Driven by the wind, the flames moved towards the crowd on foot and on the grand stand. Members from the guard mount prevented the spectators from closing in around the wreck, and the flames were scon extinguished.

No definite cause could be given for the accident, but it is thought that a sudden jar when the wheels of the calsson ran into a deep rut caused the shrapnel to be discharged. The calsson contained ten shrapnel and it is considered a wonder that only one of them was discharged.
